### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest a power supply apparatus comprising, in combination with remaining features of the claims, a connecting part outputting the first polarity current to a first end portion of a load through a first terminal, the connecting part outputting the second polarity current to a second end portion of the load through a second terminal, and the connecting part having a third terminal to receive a sensed signal in response to the first or second polarity currents so as to output the sensed signal, wherein the first terminal is spaced apart from the second terminal by a first insulating distance, and the third terminal is spaced apart from the first or second terminals adjacent to the third terminal by a second insulating distance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David H. Vu whose telephone number is (571) 272-1831. The examiner can normally be reached on M-F 9:00am-5:30pm.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
